Date of Birth : 9th of February 1997

Nationality : Syrian

Gender : Male

## Professional Profile

I am **Yahia Refaiea**. I am a **Web Designer / Frontend Developer** based in Syria and I currently work with very talented people at *Tadawol*.

I love designing and building cutting-edge websites and I am skilled in Frontend Development, User Interface, Graphic Design, Animation, Illustration, Typography, and Branding. In fact, I am interested in everything related to Design, Art, and Creativity.

From a technical spot... I have a pretty good knowledge of all the common frontend development tools and languages.

## Key Personal Skills

- Creative, curious, and open-minded
- Efficient and swift
- Good problem solving skills
- Adaptable to new technologies
- Ability to work independently
- Ability to work in a team environment
- Ability to work under pressure for strict deadlines

## Objectives

I am particularly interested in innovative, creative, and technically projects and companies. I aim to develop my skills and share my expertise with forward-thinking people in a collaborative and friendly work environment. Making the clients happy is also a big thing that makes me very enthusiastic!

# Technical Skills

## Computer literate

- **Expert** : HTML5, CSS3, JavaScript, jQuery, LESS, SASS, Compass, Adobe Photoshop, Adobe Illustrator.
- **Good Knowledge** : Bootstrap, Foundation, Jade.
- **Familiar** : SVG, Stylus, PostCSS, Grunt, Bower.

I also have Drawing, Illustration, and Typography Skills.

# Other Skills

## Languages

- **English** : intermediate (speaking, reading, writing)
- **Arabic** : native language

# Experience

2016 - Current

## Tadawol

Web Designer / Front-End User Interface Developer.

2015/9 - 2016/1

## NAS

Core Web Designer / Front-End User Interface Developer and everything related to design, Animation and Creativity

2014 - Current

## Freelance Activities

While I was working to develop my skills, I did some freelance work for small clients and friends to develop my personal creations. Being a freelancer is a good way to explore other techniques.

2013 - 2014

## Remmaz

Remmaz has supported me to step up and practice to develop my skills to get into better design and UI quality and solve really big problems faster than I used to.

# Volunteering

- Designer in *Women on Wednesday Syria ( WOW )* ( 2015 ).
